## SKILLS

### 3D CAD:

solidworks  
rhino  
sketchup  
autocad

### rendering/animation:

keyshot  
v-ray  
visualize

### adobe creative suite:

illustrator  
photoshop  
indesign  
after effects

cnc programming/fabrication  
laser cutting/engraving  
woodworks  
metalworks  
rapid prototyping  
sculpting  
mold-making  
ceramic slip-casting  
soft-goods  
screen-printing  
web development  
portuguese and spanish

## EDUCATION

### Otis College of Art + Design los angeles, california

BFA in product design  
sustainability minor  
class of 2016
